

INFERIORITY

To say that people, things, etc. are inferior to another in a particular way, we often use the structure

- **less** ... (adjective in the positive degree/adverb)... **than**

E.g. Fenyang's clothes are **less casual than** Paco's

Andrés is **less intelligent than** Paco

Respect isn't **less important than** relationships

We can also compare nouns:

E.g. Andrés earns **less money than** his sister
